

Luxury, Self Catering Lakeside Holidays

Watermark is the creator of a unique lakeside development of New England style holiday homes situated around 6 lakes within the Cotswold Water Park. All the lakes are in an area of outstanding natural beauty and only five miles from Cirencester, the Capital of the Cotswolds.

Each lake is unique and all the lakeside homes are individually designed and furnished. The majority of homes are retained by their owners for their exclusive use, although Watermark are privileged to be able to offer a small number of these for rental purposes.

Each lakeside property takes advantage of the beautiful setting and great care has been taken to ensure that guests will enjoy the most comfortable holiday possible.

Whether you are looking to relax and unwind or for an action filled holiday, Watermark are confident that we have something to suit everyone.
